

## REGISTRATION NOW OPEN

Registrations are now open for the East Salinas-based Gil Basketball Academy's 2019 season for boys and girls ages 4-17.

Registration to the Academy includes weekly practices in the evening, possible opportunities to travel and play in tournaments (with GBA's Select Traveling Teams), tour internationally, visit colleges and universities, go on field trips, participate in community events and learn the fundamentals of basketball from qualified and background-vetted volunteer coaches.

Registration is open to all local youths, no matter where they live. The Academy is committed to making every member a well-rounded student-athlete who can compete at any level.

Programs include Fall League, GBA Salinas Slam, Academy Nights and GBA Select.

The Gil Basketball Academy was formed to promote the sport of basketball in East Salinas, as well as the overall development of local student-athletes desiring to compete at the highest athletic levels of competition.

GBA offers camps and clinics teaching athletes the skills and techniques of shooting, passing, dribbling, rebounding, and defense. The athletes will be coached by Jose Gil and other qualified and experienced coaches.

GBA is about teaching not only basketball, but the Academy will build confidence and character in all GBA members while having fun.
